## **1. Purpose and Introduction**

- a) This policy is formulated for all Naufar staff (Clinical/Non-Clinical) to provide guidelines and expectations of attendance and punctuality. The implementation of this policy will result in:
  - Makes employees more regular and punctual;
  - Increase overall productivity;
  - Better use of skilled resource as the most skilled resource is of less use in case they are not present regularly;
  - Major attendance issues can be identified;
  - Attendance policy makes sure that employees are paid in full and on time;
  - Helps in making decision how attendance can be improved;
  - Reduces absenteeism;

## **2. Scope**

- a) Document the policies and procedures related to Time, Attendance and Rostering Policy.
- b) The manual should cover the below activities related to Time and Attendance:
  - i. Naufar staff working hours and punctuality (Clinical, Non-Clinical, Consultants and Contractors)
  - ii. Staff rostering for Clinical Staff

## **3. Roles and responsibilities**

- b) Publishing approved or updated documents on Naufar SharePoint.
- c) Communicating newly approved or updated policies all staff through appropriate channels.

## 4. Policy Statements & High Level Procedures

### 4.1 Attendance and Punctuality Policy

- a) Employees are expected to report for duty as schedule and to notify the designated departmental representative in a timely manner whenever they are unable to do so.
- b) Employees are not allowed to leave prior to the end of assigned/scheduled worktime without prior approval from the immediate supervisor.
- c) All the employees are required to Clock in & Clock out using the attendance machine for their assigned shifts.
- d) Employees should immediately apply for missing clock in or out using SAP in case of failure in registering the daily attendance using the attendance system.
- e) Employees are expected to follow departmental notification procedures if they will be late for work, will not be at work, or are requesting a day off from work.

All Naufar Staffs are required to follow the work schedule according to the below table:

| Staff Category | Working Hours                                                                          | Comments                                                                                                                                                                                                                                                                    |

| Clinical       | <ul style="list-style-type: none"><li>▪ As per the Shift Roster schedule</li></ul>     | The Clinical Admin staff who are not coming under the roster schedule can follow 7:00AM to 3:00PM shift with one-hour lunch break between 12:00 to 01:00PM. However, the Clinical Director has the right to allocate them to another shift according to the business needs. |

### 4.2 Clinical Staff Rostering

Clinical Staff Rostering System is used to aid work force planning for the effective deployment of the Clinical/Nursing Staff at Naufar. It enables managers to configure a roster that matches the demands of the Clinical Department with the right and adequate staff levels and to continually adjust the configuration depending on need basis.

#### 4.2.1 Shift Definitions

#### 4.2.2 Rostering Principles and Guidelines

The various types of rosters available at Naufar:

- 24/7, Three Shifts / Day (M, N and E) with on-call schedule
- Two Shifts/ Day (Morning and Evening)
- One Shift / Day

The eight Clinical units available at the Naufar center are;

- OPD
- Buprenorphine Clinic
- Residential
- Directed Care Service
- Villa Service
- Recovery and Engagement
- Halfway House
- Young Persons Wellness
- Ladies Wellness Service

- i. The Head of each Unit is responsible to prepare the staff roster 5 to 10 days before the beginning of the month
- ii. Monthly staff roster should be linked with the Time Attendance System
- iii. Staff roster should display the approved leaves and the public holidays maintained in SAP
- iv. Staff roster should be generated based on the staff approved leave plan and the unit's requirements
- v. Each unit has specific requirements (Number of staff for each shift, minimum qualifications required)
- vi. The system should give an alert when a clinical staff is not met with the minimum requirements
- vii. Employees should not work more than 6 consecutive days in a week.
- viii. Employee who are requested to work more than 6 days per week should be compensated by overtime as a first option (More than 6 consecutive days can be maintained manually only). If overtime is not possible, the HOD will approve compensating the extra working day as an extra holiday which will be added to owed time (PO)
- ix. Employees should get a minimum of 8 hours of rest between shifts while doing 8 hour shifts and at least 12 hours' rest if doing 10-12 hours shifts.
- x. Each roster will have the 1<sup>st</sup> On-call, and 2<sup>nd</sup> On-call schedule (RU Only) (other units need on call process as they do not have enough staff)

- xi. 1<sup>st</sup> On-call staff should be on his/her second day off, 2<sup>nd</sup> On-call can be on the staff first day off
- xii. The staff roster should have a fair distribution of weekends (Friday and Saturday) between staff where possible.
- xiii. The employee is allowed to request to swap his/her daily shift with a colleague (if he/she is comfortable swapping), after the approval of the unit head (via email)
- xiv. If additional staff is available, the priority always goes to the afternoon shift (E Shift)
- xv. In case of staff shortage, reduce the staff number in the Morning (M Shift), or the Afternoon Shift
- xvi. The system should be flexible enough to manage increase in the number of staff per clinical units based on the same rules and requirements.
- xvii. Staff should work for a minimum of 160 hours in a 28 days' period.
- xviii. If staff work more than 160 hours in 28 days' period, then it should be reflected as overtime or a day off at a later date.

#### **4.3 Attendance Implementation and Monitoring guidelines**

- a) Monitoring should measure and evaluate compliance/implementation of the document and should be proactive, designed to highlight issues before they happen.
- b) As a minimum the monitoring should include the following: -
  - a. Thorough monitoring of monthly employee attendance
  - b. Clinical/Nursing Manager has to monitor the effectiveness of the staff rostering

#### **4.4 Attendance Monitoring & Amendment Procedures**

The following policies shall guide the process for accurate Time & Attendance System.

- a) HR has to monitor attendance and absenteeism of employees on a routine basis
- b) As part of the monitoring process, any required updates to policies which are identified shall be highlighted to the HR function and OD.
- c) The Author shall fill a Policy Amendment Form (PAF) – Appendix 2. The PAF will include, amongst others things, the following particulars:
  - i. Name of person initiating the amendment.
  - ii. Reference of the paragraph(s)/chapter(s) proposed to be amended.
  - iii. Reasons for amendment
  - iv. Relevant approvals within the function and OD.
- d) The DG shall, based on the merits of the recommendation, approve or reject it.
- e) The OD shall be responsible for controlling the amendments of all policies within Naufar including serial numbering of the PAFs (irrespective of whether these are approved or rejected).
- f) An approved PAF forms the basis on which the Policy can be amended. The Author shall carry out the following procedures after a PAF is approved:
  - a. Amend the Policy in accordance with the approved PAF;
  - b. File the approved PAF in the Policy in chronological order; and
  - c. Ensure that the revised portion(s) of the Policy along with copies of the approved PAF is distributed to all holders. Following Step 5.1 (h) above.
- b) In the event that a PAF is rejected, OD shall file the rejected PAF in chronological order in a file specifically maintained for that purpose.
